About us

RSS International is the name of the company & our products "AROMIA INCENSE STICKS". We make Semi-Handmade Flora Incense Sticks. In the current scenario, the Handmade Incense Sticks are very rare to get in the local market in INDIA.

Our Mission is to achieve significant market share in all premium products and financial adequacy for growth and sustenance. A thousand families will smile in RSS International. Employees will get sustainable security, health, education, and respect for themselves and their families. We shall make profit honorably and professionally. We all together will delight our customers.

I, Shyamal Nath, owner or founder of this company started in the year 2020. In the beginning, we had one single machine with one staff and gradually we entered into the local market and then E-commerce B2C markets like AMAZON, FLIPKART, MEESHO, etc. Our presence was in B2B marketplaces like India MART, ROLLOVERSTCOCK, TREDE INDIA, etc.

AND

Our objective is to meet people who are passionate about different fragrances and AROMAS.

We, AROMIA Incense Stick have lounged a Premium Quality Flora Incense Stick for our customers.

This product is totally Herbal and made with Wood Powder, Natural Fragrances, Adhesives, and Madhu.

Believe me! You must try this product once. This is totally different from others. Products are available only on our Website.

The logo for AROMIA INCENSE STICKS is centered within a rectangular frame. The frame has a pink border on the left and right sides, and a gold border on the top and bottom. The background of the frame is a gold-colored fabric with a subtle, wavy texture. The word "AROMIA" is written in a large, bold, black, sans-serif font. Below it, the words "INCENSE STICKS" are written in a smaller, black, sans-serif font.
